

**Training for Fungus/Mushroom Genetic Resources Science  
Alliance for Post Global COE Program  
'Advanced Utilization of Fungus/Mushroom Resources  
for Sustainable Society in Harmony with Nature', 2013**

1. Purpose

The purposes of the seminar are to deepen the knowledge of Fungus/Mushroom Resources Science and communication skills through the field work.

2. Participants

Students whose supervisors are the Program members of the Post Global COE Program and Project researchers of Post Global COE Program

3. Organizers, Lecturers and Members of the seminar

Professor Tadanori AIMI  
Professor Nitaro MAEKAWA  
Professor Akira NAKAGIRI  
Assistant Professor Kozue SOTOME  
Assistant Professor Shuji USHIJIMA  
Assistant Professor Kumiko OKA

4. Term

October 15th, 2013 9:00-15:30 \* Canceled; only in case of heavy rain

5. Place

\* Tottori Deai no Mori  
(293, Katsurami, Tottori, 680-1417 TEL: 0857-31-3930 <http://www.deainomori.jp/> )  
\* Fungus/Mushroom Resource and Research Center (FMRC)  
(4-101, Koyama Minami, Tottori, 680-8553 TEL0857-31-5343  
<http://muses.muses.tottori-u.ac.jp/facilities/FMRC/index.htm> )

6. Schedule

See attached

7. Baggage

writing utensils, copy of the health insurance card (just in case), rain wears, plastic bags

8. Deadline for the application

October 3rd, 2013

9. Application

UGSAS, Faculty of Agriculture  
ag-rensou@adm.tottori-u.ac.jp TEL 0857-31-5445(Ext.5045)

<日 程>

平成25年10月15日(火) 9:00~15:30

Schedule 9:00-15:30, October 15th, 2013

	内容
9:00	出会いの森集合完了(各自)、点呼、出発 探索開始 Meeting place: Deai no Mori Start investigation
12:20	探索終了、点呼、鳥取大学湖山キャンパスへ帰着 Finish Investigation Arrive at Tottori University
12:30	昼休憩(各自) Lunch break
13:30	農学部附属菌類きのこ遺伝資源研究センターにて観察開始 Start observation in FMRC, Faculty of Agriculture
15:30	観察終了、解散 Finish observation
